The Administration on Children, Youth and Families (ACYF), Family and Youth Services Bureau (FYSB), Family Violence Prevention and Services Program (FVPSA Program) announces funding available to award three cooperative agreements to support three National Culturally Specific Special Issue Resource Centers (CSSIRCs).

This is one of four funding opportunity announcements (FOAs) that will award cooperative agreements to support a nationwide network of National Resource Centers, Special Issue Resource Centers, and Culturally Specific Special Issue Resource Centers focused on the intervention and prevention of family violence, domestic violence, and dating violence. The Domestic Violence Resource Network (DVRN) will consist of one National Resource Center on Domestic Violence (NRCDV); one National Indian Resource Center Addressing Domestic Violence and Safety for Indian Women (NIRC); three Culturally Specific Special Issue Resource Centers (CSSIRCs); and at least four Special Issue Resource Centers (SIRCs). These Resource Centers will provide practical information, diverse resources, and state-of-the-art training and technical assistance to enhance the capacity of individuals, non-profit organizations, governmental agencies, Indian tribes and tribal organizations, and other key stakeholders to respond to family violence, domestic violence, and dating violence using evidence-based and evidence-informed approaches.

Three additional National and Special Issue Resource Center FOAs are:

HHS-2016-ACF-ACYF-EV-1166 - National Indian Resource Center Addressing Domestic Violence and Safety for Indian Women (NIRC)

HHS-2016-ACF-ACYF-EV-1164 - Special Interest Resource Center (SIRC)

HHS-2016-ACF-ACYF-EV-1173 - National Resource Center on Domestic Violence (NRCDV)

Awards under this FOA are authorized by 42 U.S.C. § 10410.

### **Description**

#### **Culturally Specific Resource Center Program Requirements**

Through this FOA, FYSB will support three CSSIRCS focused on the prevention and intervention of domestic violence and dating violence in three culturally specific racial/ethnic communities. The three grantees will be required to provide national leadership on engaging underserved communities in a dialogue regarding the dynamics of domestic violence, culture, victimization, racism, classism, oppression, and healing. Additionally, the CSSIRC grantees will be required to share their expertise to provide a specific context for domestic violence as it relates to the ethnic, racial, cultural, and linguistic diversity of victims of domestic violence and dating violence from traditionally underserved and historically marginalized communities. Finally, the three CSSIRCS will be required to pursue the following goals and objectives and to demonstrate their ability to achieve the same in their grant applications and work plans:

1. Deliver state-of-the-art nationwide training and technical assistance to enhance and expand the organizational capacity of domestic violence programs; state domestic violence coalitions; FVPSA state administrators; Indian tribal governments; tribal organizations, federal, state and local government agencies; national, statewide and local community-based organizations; and allied professionals to provide culturally specific, linguistically relevant, trauma-informed, survivor-centered domestic violence and dating violence intervention and prevention services accessible to all victims and their children, including survivors from Lesbian, Gay, Bisexual, Transgender, Queer/Questioning (LGBTQ) communities and other historically marginalized and underserved populations;
2. Raise and enhance the visibility of culturally specific domestic violence and dating violence intervention and prevention strategies, prevalence statistics, emerging issues, and special topics through the development and distribution of innovative resources and multi-media and multi-platform public awareness, social media, and marketing campaigns;

3. Support service innovation by identifying culturally specific evidence-based and evidence-informed practices for the prevention and intervention of domestic violence and dating violence and assist with the dissemination, promotion, adoption, and adaptation of such practices in the field;
4. Expand the capacity of domestic violence programs; state domestic violence coalitions; FVPSA state administrators; Indian tribal governments; tribal organizations; federal, state and local government agencies; national, statewide and local community-based organizations; and other key stakeholders to offer culturally relevant and linguistically appropriate and accessible services to victims of domestic violence and dating violence from traditionally underserved and historically marginalized communities;
5. Develop and enhance family violence, domestic violence, and dating violence intervention and prevention strategies by fostering culturally specific promising practices development and adaptation throughout the domestic violence field that includes nationwide training and technical assistance and the creation, collection and dissemination of guidelines, materials, and other relevant resources, such as sample policies, protocols, forms and related procedures;
6. Engage public and private systems and institutions through policy development to create national, statewide, tribal, or local improvements in systemic responses to family violence, domestic violence, and dating violence such as integrating culturally specific domestic violence policies and practices into home visitation and public housing programs; public healthcare clinics; school-based dating violence prevention programs; work-force development initiatives; and other public welfare programs to enhance accessibility for all victims and their families;
7. Expand the capacity of domestic violence programs, state domestic violence coalitions, FVPSA state administrators, Indian tribal governments, tribal organizations, federal, state and local government agencies, national, statewide and local community-based organizations, and other key stakeholders to incorporate culturally specific trauma-informed practices into their provision of direct services that address lifetime exposure to violence and include trauma-informed intervention strategies;
8. Address emerging issues related to family violence, domestic violence, and dating violence, including the nexus between human trafficking and domestic and sexual violence, through the provision of nationwide training and technical assistance for domestic violence programs, state domestic violence coalitions, FVSPA state administrators, Indian tribal governments, tribal organizations, federal, state, and local government agencies, national, statewide and local community-based organizations, and other key stakeholders;
9. Conduct or contribute to research related to family violence, domestic violence, and dating violence prevention or intervention for culturally specific, historically marginalized, and traditionally underserved victims of domestic violence and dating violence and children exposed to domestic violence;
10. Work collaboratively with national, statewide, and local community-based domestic violence programs, state domestic violence coalitions, FVPSA state administrators, federal, state, and local government agencies, Indian tribal governments, tribal organizations, national, statewide, and local culturally specific organizations, LGBTQ organizations, and other entities involved in assisting survivors of domestic violence and dating violence to identify and

respond to emerging issues, technical assistance requests, the adaptation of promising practices, and increasing service demands;

11. Participate actively in the coordination of nationwide technical assistance and training with the members of the DVRN, including the NRCDV, NIRC, and SIRC grantees, and work collaboratively to develop resources as needed for the field;

11. Plan conferences, webinars, topical meetings, or major project meetings in consultation with FYSB to ensure participation of FYSB staff and, more specifically, facilitate at least two FYSB-sponsored webinars each budget period; and

12. Plan travel expenses for at least one representative from each CSSIRC grantee organization to participate in two DVRN meetings and one FYSB-sponsored meeting each budget period.

### **CSSIRC Expectations**

CSSIRC grantees are expected to use their expertise to provide a specific context for domestic violence as it relates to the ethnic, racial, cultural, and linguistic diversity of victims of domestic violence and dating violence from traditionally underserved and historically marginalized culturally specific communities. CSSIRC grantees are further expected to offer a comprehensive and national scope of training and technical assistance that is trauma-informed, culturally specific, and linguistically relevant and responsive to family violence, domestic violence, and dating violence intervention and prevention services. This technical assistance is also required to include experts and advisors from culturally specific communities and programs and research related to adult and youth victims of domestic violence and dating violence and children who are exposed to domestic violence. CSSIRC grantees are expected to provide evidence-based and evidence-informed strategies and information that enhance the capacity of individuals, organizations, governmental agencies, and communities to intervene and prevent family violence, domestic violence, and dating violence. Each CSSIRC grantee has statutory programmatic components and expectations that are required by 42 U.S.C. § 10410. These statutory requirements are detailed throughout this announcement and must be addressed by all applicants.

CSSIRC grantees are expected to focus on enhancing the cultural and linguistic relevancy of service delivery; resource use; policy, research, and technical assistance; public awareness and community education; intervention; and prevention initiatives. CSSIRC grantees are expected to enhance prevention and intervention efforts for victims of family violence, domestic violence, and dating violence who are members of culturally specific, historically marginalized, and traditionally underserved racial and ethnic communities by building the capacity of domestic violence prevention and intervention programs to provide culturally relevant and linguistically appropriate services and coordinate outreach efforts to diverse communities.

By the end of the grant period, FVPSA-funded grantees are expected to have provided an array of training, expertise, problem solving strategies and other forms of technical assistance to federal, state, and local governmental agencies, Indian tribes and tribal organizations, state domestic violence service coalitions, FVPSA state administrators, national, statewide, and local community-based organizations including culturally specific organizations, and other key stakeholders, related to family violence, domestic violence, and dating violence

intervention and prevention services for victims of dating violence, domestic violence and their children.

The CSSIRC grantees are expected to offer educational opportunities, conferences, peer-to-peer consultations, webinars, webcasts, e-learning modules, podcasts, and other forms of technical assistance that allow domestic violence programs, state domestic violence coalitions, tribes and tribal organizations, culturally specific community-based organizations, health and social service agencies to learn from the CSSIRC grantees' expertise regarding family violence, domestic violence, and dating violence intervention and prevention.

Grantees are expected to share their expertise to lead practice improvements as well as organizational capacity building. Grantees are further expected to foster partnerships between organizations that have not traditionally worked together to address family violence, domestic violence, and dating violence, such as public institutions, faith-based organizations, culturally specific organizations, LGBTQ organizations, and community-based organizations. Grantees will lead or contribute to family violence, domestic violence, and dating violence intervention and prevention related research that could include program evaluation, national research projects, drafting applied research papers, holding focus groups, conducting community assessments, and collaborating with wide range of individuals and organizations leading domestic violence and dating violence-related research or evaluation.

Finally, grantees are expected to have a communication plan and national dissemination strategy for sharing promising practices, research findings, project outcomes, and resources nationwide. Grant products will be disseminated broadly, including posting on the grantee's website, the FYSB website, the NRCDDV clearinghouse, and other platforms to reach a broad audience of individuals and communities addressing family violence, domestic violence, and dating violence prevention and intervention.

Applications for continuation grants funded under these awards beyond the 1-year period will be considered in subsequent years on a non-competitive basis, subject to the availability of funds, satisfactory progress of the grantee, review and approval of the project plan submitted in year one, and a determination that continued funding would be in the best interest of the Federal Government.

#### **Description of ACF's Anticipated Substantial Involvement Under the Cooperative Agreement**

The grant award will be a cooperative agreement. A cooperative agreement is an award instrument used when substantial involvement is anticipated between the awarding office and the grantee during performance of the contemplated project. FYSB will collaborate with the grantee throughout the project period.

FYSB will provide consultation and will review and approve the work plan for the project, as well as the structure and integrity of the approved project as needed. FYSB will also approve any revisions to the work plan or structure of the approved project during each budget period. Additionally, FYSB will approve significant project activities and changes to project plans. FYSB will review and approve final drafts of all new or updated materials, articles, major publications, and research reports that are developed or distributed with resources made available under the cooperative agreement.

FYSB will be involved in the development of long-term strategies for the implementation of the project and will participate in major project activities, such as conferences, topical meetings, or major project meetings. As FYSB determines appropriate, FYSB will make changes to the grantee's detailed plan for project implementation including its work plan, trainings/events schedule, and evaluation schedule, in consultation with the grantee.

FYSB will organize periodic consultations, meetings, briefings, teleconferences, webinars, and other forums necessary to review current and planned activities, to share information, and to promote coordination. FYSB will keep the grantee informed about expectations for performance, current FYSB policy, and FYSB's vision for addressing domestic violence and dating violence.

### III. Eligibility Information

#### III.1. Eligible Applicants

To be eligible to receive a grant to establish or maintain a CSSIRC under 42 U.S.C. § 10410, an entity shall be a private non-profit organization that focuses primarily on issues of domestic violence in a racial or ethnic community or a public or private non-profit educational institution that has a domestic violence institute, center, or program related to culturally specific issues in domestic violence and (i) has documented experience in the areas of domestic violence prevention and services and experience relevant to the specific racial or ethnic population to which information, training, technical assistance, and outreach would be provided under the grant; (ii) demonstrates the strong support of advocates across the nation who are working to address domestic violence; (iii) has a record of demonstrated effectiveness in enhancing the cultural and linguistic relevancy of service delivery.

Applications from individuals (including sole proprietorships) and foreign entities are not eligible and will be disqualified from competitive review and from funding under this announcement. See *Section III.3. Other, Application Disqualification Factors*.

Faith-based and community organizations that meet the eligibility requirements are eligible to receive awards under this funding opportunity announcement. Faith-based organizations are encouraged to review the ACF Policy on Grants to Faith-Based Organizations at: <http://www.acf.hhs.gov/acf-policy-on-grants-to-faith-based-organizations>.

See *Section IV.2. Legal Status of Applicant Entity* for documentation required to support eligibility.

#### III.2. Cost Sharing or Matching

Cost Sharing / Matching Requirement: No

**For all federal awards**, any shared costs or matching funds and all contributions, including cash and third-party in-kind contributions, must be accepted as part of the recipient's cost sharing or matching when such contributions meet all of the criteria listed in 45 CFR 75.306.

**For awards that require matching by statute**, recipients will be held accountable for projected commitments of non-federal resources in their application budgets and budget justifications by budget period, or by project period for fully funded awards, even if the projected commitment exceeds the amount required by the statutory match. **A recipient's failure to provide the statutorily required matching amount may result in the disallowance of federal funds. Recipients will be required to report these funds in the Federal Financial Reports.**

**For awards that do not require matching or cost sharing by statute**, where "cost sharing" refers to any situation in which the recipient voluntarily shares in the costs of a project other than as statutorily required matching. These include situations in which contributions are voluntarily proposed by an applicant and are accepted by ACF. Non-federal cost sharing will be included in the approved project budget so that the applicant will be held accountable for

proposed non-federal cost-sharing funds as shown in the Notice of Award (NOA). **A recipient's failure to provide voluntary cost sharing of non-federal resources that have been accepted by ACF as part of the approved project costs and that have been shown as part of the approved project budget in the NOA, may result in the disallowance of federal funds. Recipients will be required to report these funds in the Federal Financial Reports.**

### III.3. Other

## IV.2. Content and Form of Application Submission

### FORMATTING APPLICATION SUBMISSIONS

**In FY 2013 ACF implemented a new application upload requirement. Each applicant applying electronically via [www.Grants.gov](http://www.Grants.gov) is required to upload only two electronic files, excluding Standard Forms and OMB-approved forms. No more than two files will be accepted for the review, and additional files will be removed. Standard Forms and OMB-approved forms will not be considered additional files.**

***FOR ALL APPLICATIONS:***

**Authorized Organizational Representative (AOR)**

AOR is the designated representative of the applicant/recipient organization with authority to act on the organization's behalf in matters related to the award and administration of grants. In signing a grant application, this individual agrees that the organization will assume the obligations imposed by applicable Federal statutes and regulations and other terms and conditions of the award, including any assurances, if a grant is awarded.

AOR authorization is part of the registration process at [www.Grants.gov](http://www.Grants.gov), where the AOR will create a short profile and obtain a username and password from the Grants.gov Credential Provider. AORs will only be authorized for the DUNS number registered in the System for Awards Management (SAM).

**Point of Contact**

In addition to the AOR, a point of contact on matters involving the application must also be identified. The point of contact, known as the Project Director or Principal Investigator, should not be identical to the person identified as the AOR. The point of contact must be available to answer any questions pertaining to the application.

**Application Checklist**

Applicants may refer to *Section VIII. Other Information* for a checklist of application requirements that may be used in developing and organizing application materials.

**Accepted Font Style**

Applications must be in Times New Roman (TNR), 12-point font, except for footnotes,

which may be TNR 10-point font.

### **Page Limitations**

**Applicants must observe the page limitation(s) listed under "PAGE LIMITATIONS AND CONTENT FOR ALL SUBMISSION FORMATS:". Page limitation(s) do not include SFs and OMB-approved forms.**

**All applications must be double-spaced.** An application that exceeds the cited page limitation for double-spaced pages in the Project Description file or the Appendices file will have the last extra pages removed and the removed pages will not be reviewed.

### **Application Elements Exempted from Double-Spacing Requirements**

The following elements of the application submission are exempt from the double-spacing requirements and may be single-spaced: the table of contents, the one-page Project Summary/Abstract, required Assurances and Certifications, required SFs, required OMB-approved forms, resumes, logic models, proof of legal status/non-profit status, third-party agreements, letters of support, footnotes, tables, the line-item budget and/or the budget justification.

### **Adherence to FOA Formatting, Font, and Page Limitation Requirements**

Applications that fail to adhere to ACF's FOA formatting, font, and page limitation requirements will be adjusted by the removal of page(s) from the application. Pages will be removed before the objective review. The removed page(s) will not be made available to reviewers.

In instances where formatting and font requirements are not adhered to, ACF uses a formula to determine the actual number of pages to be removed. The formula counts the number of characters an applicant uses when following the instructions and using 12-point TNR and compares the resulting number with that of the submitted application. For example, an applicant using TNR, 11-point font, with 1-inch margins all around, and single-spacing, would have an additional 26 lines, or 1500 characters, which is equal to 4/5 of an additional page. Extra pages resulting from this formula will be removed and will not be reviewed. Applications that have more than one scanned page of a document on a single page will have the page(s) removed from the review.

For applicants that submit paper applications, double-sided pages will be counted as two pages. When the maximum allowed number of pages is reached, excess pages will be removed and will not be made available to reviewers.

**NOTE:** Applicants failing to adhere to ACF's FOA formatting, font, and page limitation requirements will receive a letter from ACF notifying them that their application was amended. The letter will be sent after awards have been issued and will specify the reason(s) for removal of page(s).

### **Copies Required**

Applicants must submit one complete copy of the application package electronically.

Applicants submitting electronic applications need not provide additional copies of their application package.

Applicants submitting applications in paper format must submit one original and two copies of the complete application, including all Standard Forms and OMB-approved forms. The original copy must have original signatures.

### **Signatures**

Applicants submitting electronic applications must follow the registration and application submission instructions provided at [www.Grants.gov](http://www.Grants.gov).

The original of a paper format application must include original signatures of the authorized representatives.

### **Accepted Application Format**

With the exception of the required Standard Forms (SFs) and OMB-approved forms, all application materials must be formatted so that they are 8 ½" x 11" white paper with 1-inch margins all around.

If possible, applicants are encouraged to include page numbers for each page within the application.

ACF generally does not encourage submission of scanned documents as they tend to have reduced clarity and readability. If documents must be scanned, the font size on any scanned documents must be large enough so that it is readable. Documents must be scanned page-for-page, meaning that applicants may not scan more than one page of a document onto a single page.

### **PAGE LIMITATIONS AND CONTENT FOR ALL SUBMISSION FORMATS:**

The **Project Description** (File One) is limited to **50** pages and must include the following:

1. Table of Contents
2. Project Summary/Abstract (one page)
3. Objectives and Need for Assistance
4. Expected Outcomes
5. Approach
  - Public Awareness and Resource Development Activities
  - Training and Technical Assistance
  - Policy Development and Systems Engagement
  - Research and Evaluation Activities
6. Logic Model
7. Program Performance and Evaluation Plan

8. Organizational Profile
9. Dissemination Plan
9. Protection of Sensitive and/or Confidential Information
10. Line Item Budget and Budget Justification (exempt from page limitations)

The **Appendices** (File Two) (exempt from the page limitations) must include:

1. Staff Position Information (e.g., resumes of key staff, job descriptions, organizational chart)
2. List of Board of Directors or other governing body members (as applicable)
3. Financial Statements
3. Third-Party Agreements/Memoranda of Understanding (MOUs)
4. Letters of Support
5. Certifications and Assurances
6. LGBTQ Accessibility Policy
7. Proof of Legal Status
8. Indirect Cost Rate Letter (as applicable)

#### **ELECTRONIC APPLICATION SUBMISSION INSTRUCTIONS**

Applicants are required to submit their applications electronically unless they have requested and received an exemption that will allow submission in paper format. See *Section IV.2. Application Submission Options* for information about requesting an exemption.

Electronic applications will only be accepted via [www.Grants.gov](http://www.Grants.gov). **ACF will not accept applications submitted via email or via facsimile.**

**Each applicant is required to upload ONLY two electronic files, excluding SFs and OMB-approved forms.**

**File One:** Must contain the entire Project Description, and the Budget and Budget Justification (including a line-item budget and a budget narrative).

**File Two:** Must contain all documents required in the Appendices.

#### **Adherence to the Two-File Requirement**

No more than two files will be accepted for the review. Applications with additional files will be amended and files will be removed from the review. SFs and OMB-approved forms will not be considered additional files.

#### **Application Upload Requirements**

ACF strongly recommends that electronic applications be uploaded as Portable Document Files (PDFs). One file must contain the entire Project Description and Budget Justification; the other file must contain all documents required in the Appendices. Details on the content of each of the two files, as well as page limitations, are listed earlier in this section.

To adhere to the two-file requirement, applicants may need to convert and/or merge documents together using a PDF converter software. Many recent versions of Microsoft Office include the ability to save documents to the PDF format without need of additional software. Applicants using the Adobe Professional software suite will be able to merge these documents together. ACF recommends merging documents electronically rather than scanning multiple documents into one document manually, as scanned documents may have reduced clarity and readability.

Applicants must ensure that the version of Adobe Professional they are using is compatible with Grants.gov. To verify Adobe software compatibility please go to Grants.gov and click on “Support” at the top bar menu and select “Adobe Software Compatibility”, which is listed under the topic “Find Answers Online.” The Adobe verification process allows applicants to test their version of the software by opening a test application package. Grant.gov also includes guidance on how to download a supported version of Adobe, as well as troubleshooting instructions if an applicant is unable to open the test application package. There is also a help page for configuring Firefox and Chrome to open PDFs using Adobe software.

The Adobe Software Compatibility page located on Grants.gov also provides guidance for applicants that have received error messages while attempting to save an application package. It also addresses local network and/or computer security settings and the impact this has on use of Adobe software.

For any systems issues experienced with Grants.gov or with SAM.gov, please refer to ACF’s “Policy for Applicants Experiencing Federal Systems Issues” document for complete guidance at [https://www.acf.hhs.gov/sites/default/files/assets/systems\\_issue\\_policy\\_final.pdf](https://www.acf.hhs.gov/sites/default/files/assets/systems_issue_policy_final.pdf) under "How to Apply for a Grant/Submit an Application."

### **Required Standard Forms (SFs) and OMB-approved Forms**

Standard Forms (SFs) and OMB-approved forms, such as the SF-424 application and budget forms and the SF-P/PSL (Project/Performance Site Location), are uploaded separately at Grants.gov. These forms are submitted separately from the Project Description and Appendices files. See *Section IV.2. Required Forms, Assurances, and Certifications* for the listing of required Standard Forms, OMB-approved forms, and required assurances and certifications.

### **Naming Application Submission Files**

**Carefully observe the file naming conventions required by [www.Grants.gov](http://www.Grants.gov). Limit file names to 50 characters (characters and spaces). Special characters that are**

allowed under Grants.gov's naming conventions, and are accommodated by ACF's systems, are listed in the instructions available in the Download Application Package at Grants.gov. Please also see

<http://www.grants.gov/web/grants/applicants/submitting-utf-8-special-characters.html>.

### **Use only file formats supported by ACF**

It is critical that applicants submit applications using only the supported file formats listed here. While ACF supports all of the following file formats, **we strongly recommend that the two application submission files (Project Description and Appendices) are uploaded as PDF documents in order to comply with the two file upload limitation.** Documents in file formats that are not supported by ACF will be removed from the application and will not be used in the competitive review. This may make the application incomplete and ACF will not make any awards based on an incomplete application.

### **ACF supports the following file formats:**

- Adobe PDF – Portable Document Format (.pdf)
- Microsoft Word (.doc or .docx)
- Microsoft Excel (.xls or .xlsx)
- Microsoft PowerPoint (.ppt)
- Corel WordPerfect (.wpd)
- Image Formats (.JPG, .GIF, .TIFF, or .BMP only)

### **Do Not Encrypt or Password-Protect the Electronic Application Files**

If ACF cannot access submitted electronic files because they are encrypted or password protected, the affected file will be removed from the application and will not be reviewed. This removal may make the application incomplete and ACF will not make awards based on an incomplete application.

### **FORMATTING FOR PAPER APPLICATION SUBMISSIONS:**

The following requirements are only applicable to applications submitted in paper format. Applicants must receive an exemption from ACF in order for a paper format application to be accepted for review. See *Section IV.2. Request an Exemption from Required Electronic Application Submission* later in this section under *Application Submission Options* for more information.

### **Format Requirements for Paper Applications**

All copies of mailed or hand-delivered paper applications must be submitted in a single package. If an applicant is submitting multiple applications under a single FOA, or multiple applications under separate FOAs, each application submission must be packaged separately. The package(s) must be clearly labeled for the specific FOA it addresses by FOA title and by Funding Opportunity Number (FON).

Because each application will be duplicated, do not use or include separate covers, binders, clips, tabs, plastic inserts, maps, brochures, or any other items that cannot be processed easily on a photocopy machine with an automatic feed. Do not bind, clip,

staple, or fasten in any way separate sections of the application. Applicants are advised that the copies of the application submitted, not the original, will be reproduced by the federal government for review. **All application materials must be one-sided for duplication purposes. All pages in the application submission must be sequentially numbered.**

**Addresses for Submission of Paper Applications**

See *Section IV.7. Other Submission Requirements* for addresses for paper format application submissions.

**Required Forms, Assurances, and Certifications**

**Applicants seeking grant or cooperative agreement awards under this announcement must submit the listed Standard Forms (SFs), assurances, and certifications with the application.** All required Standard Forms, assurances, and certifications are available in the Application Package posted for this FOA at [www.Grants.gov](http://www.Grants.gov).

Other versions of required Standard Forms, assurances, and certifications are available at Grants.gov <http://www.grants.gov/web/grants/forms/sf-424-family.html>.

**Non-Federal Reviewers**

Since ACF will be using non-federal reviewers in the review process, applicants have the option of omitting from the application copies (not the original) specific salary rates or amounts for individuals specified in the application budget as well as Social Security Numbers, if otherwise required for individuals. The copies may include summary salary information. If applicants are submitting their application electronically, ACF will omit the same specific salary rate information from copies made for use during the review and selection process.

**The Project Description**

**The Project Description Overview**

**Purpose**

The project description provides the majority of information by which an application is evaluated and ranked in competition with other applications for available assistance. It should address the activity for which federal funds are being requested, and should be consistent with the goals and objectives of the program as described in *Section I. Program Description*. Supporting documents should be included where they can present information clearly and succinctly. When appropriate, applicants should cite the evaluation criteria that are relevant to specific components of their project description. Awarding offices use this and other information in making their funding recommendations. It is important, therefore, that this information be included in the application in a manner that is clear and complete.

## **General Expectations and Instructions**

Applicants should develop project descriptions that focus on outcomes and convey strategies for achieving intended performance. Project descriptions are evaluated on the basis of substance and measurable outcomes, not length. Extensive exhibits are not required. Cross-referencing should be used rather than repetition. Supporting information concerning activities that will not be directly funded by the grant or information that does not directly pertain to an integral part of the grant-funded activity should be placed in an appendix.

## **General Instructions for Preparing a Full Project Description**

### **Introduction**

Applicants must prepare the project description statement in accordance with the following instructions while being aware of the specified evaluation criteria in *Section V.I. Criteria*. The text options give a broad overview of what the project description should include while the evaluation criteria identify the measures that will be used to evaluate applications.

### **Table of Contents**

List the contents of the application including corresponding page numbers. The table of contents must be single spaced and will be counted against the total page limitations.

### **Project Summary/Abstract**

Provide a summary of the application's project description. The summary must be clear, accurate, concise, and without reference to other parts of the application. The abstract must include a brief description of the proposed grant project including the needs to be addressed, the proposed services, and the population group(s) to be served.

Please place the following at the top of the abstract:

- Project Title
- Applicant Name
- Address
- Contact Phone Numbers (Voice, Fax)
- E-Mail Address
- Web Site Address, if applicable

The project abstract must be single-spaced, in Times New Roman 12-point font, and limited to one page in length. Additional pages will be removed and will not be reviewed.

### **Objectives And Need For Assistance**

Clearly identify the physical, economic, social, financial, institutional, and/or other problem(s) requiring a solution. The need for assistance including the nature and scope of the problem must be demonstrated, and the principal and subordinate objectives of the project must be clearly and concisely stated; supporting documentation, such as letters of support and testimonials from concerned interests other than the applicant, may be included. Any relevant data based on planning studies should be included or referred to in the endnotes/footnotes. Incorporate demographic data and participant/beneficiary information,

as well as data describing the needs of the target population and the proposed service area as needed. When appropriate, a literature review should be used to support the objectives and needs described in this section.

### **Expected Outcomes**

Identify the outcomes to be derived from the project. Outcomes should relate to the overall goals of the project as described in *Section I. Program Description*. If research is part of the proposed work, outcomes must include hypothesized results and implications of the proposed research.

See *Section I. Program Description, CSSIRC Expectations*.

### **Approach**

Outline a plan of action that describes the scope and detail of how the proposed project will be accomplished. Applicants must account for all functions or activities identified in the application. Describe any design or technological innovations, reductions in cost or time, or extraordinary social and/or community involvement in the project. Provide a list of organizations, cooperating entities, consultants, or other key individuals that will work on the project, along with a short description of the nature of their effort or contribution.

Cite potential obstacles and challenges to accomplishing project goals and explain strategies that will be used to address these challenges.

### **Applicant Approach Activities**

All applicants must submit a detailed plan for addressing the statutory program requirements of 42 U.S.C. §10410 and the expected project activities within the public awareness and resource development, training and technical assistance, policy development and systems engagement, research and evaluation activities, and additional considerations sections of this FOA. All applicants must clearly indicate that this is an application for a CSSIRC and specify the culturally specific population that will be the focus of the CSSIRC's programming.

All applicants must describe their organization's current coordination efforts and partnerships with domestic violence programs, domestic violence coalitions, culturally specific community based programs, and national organizations, including details of past collaborations and plans for coordination of technical assistance. All applicants must provide a list of organizations, cooperating entities, consultants, or other key individuals who will work on the project, along with a short description of the nature of their effort or contribution.

1. **Public Awareness and Resource Development Activities** - The plan for required public awareness and resource development activities must include:

- a. Creation, collection, and distribution of resources, including promising practices, guidelines, and information clearinghouse materials to the domestic violence field;
- b. Development and distribution of comprehensive statistics, fact sheets, and specialized resources addressing a range of family violence, domestic violence, and dating violence intervention and prevention issues, including emerging topics;
- c. Development and distribution of materials to support the adaptation of model programs,

evidence-based practices, promising practices, and exemplary projects;

e. Development of a communication plan for distributing information, products, reports, and other project outputs to the domestic violence and dating violence field, allied partners, and to the public, including a description of the method, volume, and timing of distribution.

**2. Training and Technical Assistance Activities** - The plan for required training and technical assistance activities must include:

a. Delivery of a comprehensive array of nationwide technical assistance and training to expand the capacity of domestic violence programs, state domestic violence coalitions, FVPSA state administrators, Indian tribes, tribal organizations, federal, state, and local government agencies, and national, statewide and local community-based organizations to provide domestic violence intervention and prevention services that are accessible to all victims of domestic violence, including persons from traditionally underserved, historically marginalized, and LGBTQ communities;

b. Enhancement of domestic violence programs' organizational capacity and accessibility through the provision of innovative and comprehensive educational opportunities, conferences, and peer-to-peer consultations that allow community-based programs to learn from the CSSIRC's expertise;

c. Identification of training and technical assistance needs within the applicant's area of expertise and provision of targeted technical assistance to the domestic violence field based on those needs;

d. Leadership on advocacy, service practice improvements, and capacity building through the provision of comprehensive technical assistance and solution-based strategies to address existing needs, challenges, or emerging issues;

e. Development of emerging training and technical assistance strategies such as organizational capacity building, programmatic accessibility, trauma-informed services, and survivor-centered advocacy that will sustain or enhance existing domestic violence intervention and prevention services, including those that respond to specialized issues, current advocacy challenges, service barriers, and emerging trends; and

- c. Collaboration with public and private systems to strengthen policies and institutionalize training to improve accessibility and service effectiveness for victims of dating violence, domestic violence and their children.

**4. Research and Evaluation Activities** - The plan for required research and evaluation activities must be broad in scope, specifically related to the CSSIRC's area of focus, and must include:

- a. Review of available research and national standards to identify gaps and key questions for future research opportunities or projects. The scope of this review may be limited to the specific expertise of the applicant and may include literature reviews, research papers, published reports, and focus groups. Applicants must discuss how they will assess the rigor of research identified (e.g., how will "effectiveness" be operationally defined), and how they will highlight limitations and call attention to future directions for research. Applicants must discuss the state of the research, and the specific research and knowledge areas to which the cooperative agreement's research and knowledge development activities will contribute;
- b. - e. Development of a plan for national distribution of research or findings that integrates the applicant's area of expertise and shares those findings with the domestic violence field as well as with the general public.

#### **Additional Considerations for Applicants**

Additionally, each applicant's detailed plan must address its participation in the following activities as they pertain to the proposed CSSIRC:

##### **1. DVRN Participation and Coordination**

- a. The NRCDV will serve as the coordinator of the DVRN's technical assistance meetings;
- b. DVRN members will work collaboratively to share their national expertise and deliver domestic violence and dating violence related training and technical assistance; and

c. While the NRC DV, NIRC, SIRC, and CSSIRC applicants are members of the DVRN, they will maintain independent governance of their own organizations, but will be required to share their expertise with other DVRN members, actively participate in the coordination of technical assistance, attend semi-annual DVRN meetings, and work collaboratively to develop resources as needed.

**2. Culturally Specific Special Issue Resource Centers** - CSSIRC applicants must address the following activities within the approach section of their application:

a. Identification of the underserved or diverse community that will be served, the needs to be addressed within the diverse or underserved community, and the culturally relevant/linguistically appropriate programmatic activities that will address those needs;

b. Demonstration of extensive expertise in analyzing the dynamics of domestic violence, culture, victimization, racism, classism, oppression, and healing, as well as a history of engaging culturally specific communities in addressing these issues;

e. Development of a community engagement, education, and outreach strategy to involve traditionally underserved and historically marginalized communities in the creation and implementation of services relevant to the ethnic, racial, cultural, and linguistic diversity, geographic isolation, or oppression of victims of domestic violence and dating violence;

f. Provision of training, technical assistance, policy analysis, and resource development to enhance traditionally underserved and historically marginalized communities' involvement with coordinating community responses to domestic violence and dating violence; and

g. Support for the capacity building of community-based, culturally specific service providers to respond to the diverse and often complex needs of dating violence and domestic violence victims and their children, which include culturally relevant and linguistically appropriate awareness and outreach events.

### **Project Timeline and Milestones**

Provide quantitative monthly or quarterly projections of the accomplishments to be achieved for each function, or activity, in such terms as the number of people to be served and the number of activities accomplished. Data may be organized and presented as project tasks and subtasks with their corresponding timelines during the project period. For example, each project task could be assigned to a row in the first column of a grid. Then, a unit of time could be assigned to each subsequent column, beginning with the first unit (i.e., week, month, quarter) of the project and ending with the last. Shading, arrows, or other markings could be used across the applicable grid boxes or cells, representing units of time, to indicate the

approximate duration and/or frequency of each task and its start and end dates within the project period.

When accomplishments cannot be quantified by activity or function, list them in chronological order to show the schedule of accomplishments and their target dates.

### **Program Performance Evaluation Plan**

Applicants must describe the plan for the program performance evaluation that will contribute to continuous quality improvement. The program performance evaluation should monitor ongoing processes and the progress towards the goals and objectives of the project. Include descriptions of the inputs (e.g., organizational profile, collaborative partners, key staff, budget, and other resources), key processes, and expected outcomes of the funded activities. The plan may be supported by a logic model and must explain how the inputs, processes and outcomes will be measured, and how the resulting information will be used to inform improvement of funded activities.

Applicants must describe the systems and processes that will support the organization's performance management requirements through effective tracking of performance outcomes, including a description of how the organization will collect and manage data (e.g. assigned skilled staff, data management software) in a way that allows for accurate and timely reporting of performance outcomes. Applicants must describe any potential obstacles for implementing the program performance evaluation and how those obstacles will be addressed.

Applicants must provide a narrative addressing how they will evaluate the conduct of the project and its results. In addressing the evaluation of results, applicants must state the measures they will use to determine the extent to which the project has achieved its stated objectives and the extent to which the accomplishment of objectives can be attributed to the project. Applicants must discuss the criteria they will use to evaluate results, and explain the methodology they will use to determine if the needs identified and discussed are being met and if the project results and benefits are being achieved. With respect to the conduct of the project, applicants must define the procedures to be employed to determine whether the project is being conducted in a manner consistent with the work plan presented and discuss the outcomes of the project's various activities that reflect the project's stated objectives.

All applicants are required to demonstrate a record related to achieving outcomes and completing the activities proposed in their project plan. Measures of outcomes should include success delivering national scope training and technical assistance that addresses the needs of the domestic violence field. Additionally, all applicants will be evaluated on their record in completing the following:

1. Assisting in the capacity building of organizations serving dating violence and domestic violence victims and their children;
2. Meeting the needs of the domestic violence field as it relates to training and technical assistance;
3. Leading advocacy practice and service changes within the domestic violence field; and

4. Reaching a broad base of domestic violence service providers, organizations, Indian tribes, tribal organizations, state domestic violence coalitions, FVPSA state administrators, and community-based organizations including culturally-specific organizations as well as organizations serving the LGBTQ communities and other historically marginalized and underserved populations through training and technical assistance.

### **Geographic Location**

Describe the precise location of the project and boundaries of the area to be served by the proposed project.

### **Legal Status of Applicant Entity**

Applicants must provide the following documentation:

Non-profit organizations applying for funding are required to submit proof of their non-profit status. Proof of non-profit status is any one of the following:

- A reference to the applicant organization's listing in the IRS's most recent list of tax-exempt organizations described in the IRS Code.
- A copy of a currently valid IRS tax-exemption certificate.
- A statement from a state taxing body, state attorney general, or other appropriate state official certifying that the applicant organization has non-profit status and that none of the net earnings accrue to any private shareholders or individuals.
- A certified copy of the organization's certificate of incorporation or similar document that clearly establishes non-profit status.
- Any of the items in the subparagraphs immediately above for a state or national parent organization and a statement signed by the parent organization that the applicant organization is a local non-profit affiliate.

Unless directed otherwise, applicants must include proof of non-profit status in the *Appendices* file of the electronic application submission.

### **Logic Model**

Applicants must submit a logic model for designing and managing their project. A logic model is a one-page diagram that presents the conceptual framework for a proposed project and explains the links among program elements. While there are many versions of logic models, for the purposes of this announcement the logic model should summarize the connections between the:

- Goals of the project (e.g., objectives, reasons for proposing the interventions, if applicable);
- Assumptions (e.g., beliefs about how the program will work and its supporting resources. Assumptions should be based on research, best practices, and experience);
- Inputs (e.g., organizational profile, collaborative partners, key staff, budget);
- Target population (e.g., the individuals to be served);

- Activities (e.g., approach, listing key intervention, if applicable);
- Outputs (i.e., the direct products or deliverables of program activities); and
- Outcomes (i.e., the results of a program, typically describing a change in people or systems).

### **Project Sustainability Plan**

Applicants must propose a plan for project sustainability after the period of federal funding ends. Grantees are expected to sustain key elements of their grant projects, e.g., strategies or services and interventions, which have been effective in improving practices and those that have led to improved outcomes for children and families.

Describe the approach to project sustainment that will be most effective and feasible. Describe the key individuals and/or organizations whose support will be required in order to sustain program activities. Describe the types of alternative support that will be required to sustain the planned program. If the proposed project involves key project partners, describe how their cooperation and/or collaboration will be maintained after the end of federal funding.

### **Organizational Capacity**

Provide the following information on the applicant organization and, if applicable, on any cooperating partners:

- Organizational charts;
- Resumes (no more than two single-spaced pages in length);
- Curricula Vitae (CV);
- List of Board of Directors;
- Financial statements adhering to Generally Accepted Accounting Principles (GAAP), if available, submit statements for up to the two most recently completed fiscal years (this requirement does not apply to start-up organizations);
- Evidence that the applicant organization, and any partnering organizations, have relevant experience and expertise with administration, development, implementation, management, and evaluation of programs similar to that offered under this announcement;
- Evidence that each participating organization, including partners and/or subcontractors, possess the organizational capability to fulfill their role(s) and function(s) effectively;
- Job descriptions for each vacant key position.

### **Protection of Sensitive and/or Confidential Information**

If any confidential or sensitive information will be collected during the course of the project, whether from staff (e.g., background investigations) or project participants and/or project beneficiaries, provide a description of the methods that will be used to ensure that confidential and/or sensitive information is properly handled and safeguarded. Also provide a plan for the disposition of such information at the end of the project period.

### **Dissemination Plan**

Applicants must propose a plan to disseminate reports, products, and/or grant project outputs so that project information is provided to key target audiences. Dissemination plans must include:

- Dissemination goals and objectives;
- Strategies to identify and engage with target audiences;
- Allocation of sufficient staff time and budget for dissemination purposes;
- A preliminary plan to evaluate the extent to which target audiences have received project information and have used it as intended.

### **Third-Party Agreements**

Third-party agreements include Memoranda of Understanding (MOU) and Letters of Commitment. General letters of support are **not** considered to be third-party agreements. Third-party agreements must clearly describe the project activities and support to which the third party is committing. Third-party agreements must be signed by the person in the third-party organization with the authority to make such commitments on behalf of their organization.

Provide written and signed agreements between grantees and subgrantees, or subcontractors, or other cooperating entities. These agreements must detail the scope of work to be performed, work schedules, remuneration, and other terms and conditions that structure or define the relationship.

### **Letters Of Support**

Provide statements from community, public, and commercial leaders that support the project proposed for funding. All submissions must be included in the application package.

## **The Project Budget and Budget Justification**

All applicants are required to submit a project budget and budget justification with their application. The project budget is entered on the Budget Information Standard Form, either SF-424A or SF-424C, according to the directions provided with the SFs. The budget justification consists of a budget narrative and a line-item budget detail that includes detailed calculations for "object class categories" identified on the Budget Information Standard Form. Applicants must indicate the method they are selecting for their indirect cost rate. See Indirect Charges for further information.

Project budget calculations must include estimation methods, quantities, unit costs, and other similar quantitative detail sufficient for the calculation to be duplicated. If matching or cost sharing is a requirement, applicants must include a detailed listing of any funding sources identified in Block 18 of the SF-424 (Application for Federal Assistance). See the table in *Section IV.2. Required Forms, Assurances, and Certifications* listing the appropriate budget forms to use in this application.

***Special Note:*** *The Consolidated Appropriations Act, 2016, (Division E, Title VII, General*

*Provisions – Government-Wide), limits the salary amount that may be awarded and charged to ACF grants and cooperative agreements. Award funds issued under this announcement may not be used to pay the salary, or any percentage of salary, to an individual at a rate in excess of Executive Level II. The Executive Level II salary of the "Rates of Pay for the Executive Schedule" is \$185,100. This amount reflects an individual's base salary exclusive of fringe benefits and any income that an individual may be permitted to earn outside of the duties of the applicant organization. This salary limitation also applies to subawards and subcontracts under an ACF grant or cooperative agreement.*

Provide a budget using the 424A and/or 424C, as applicable, for each year of the proposed project. Provide a budget justification, which includes a budget narrative and a line-item detail, for each year of the proposed project. The budget narrative should describe how the categorical costs are derived. Discuss the necessity, reasonableness, and allocation of the proposed costs.

### **General**

Use the following guidelines for preparing the budget and budget justification. Both federal and non-federal resources (when required) shall be detailed and justified in the budget and budget narrative justification. "Federal resources" refers only to the ACF grant funds for which you are applying. "Non-federal resources" are all other non-ACF federal and non-federal resources. It is suggested that budget amounts and computations be presented in a columnar format: first column, object class categories; second column, federal budget; next column(s), non-federal budget(s); and last column, total budget. The budget justification should be in a narrative form.

### **Personnel**

**Description:** Costs of employee salaries and wages.

**Justification:** Identify the project director or principal investigator, if known at the time of application. For each staff person provide: the title; time commitment to the project in months; time commitment to the project as a percentage or full-time equivalent; annual salary; grant salary; wage rates; etc. Do not include the costs of consultants, personnel costs of delegate agencies, or of specific project(s) and/or businesses to be financed by the applicant. Contractors and consultants should not be placed under this category.

### **Fringe Benefits**

**Description:** Costs of employee fringe benefits unless treated as part of an approved indirect cost rate.

**Justification:** Provide a breakdown of the amounts and percentages that comprise fringe benefit costs such as health insurance, Federal Insurance Contributions Act (FICA) taxes, retirement insurance, and taxes.

### **Travel**

**Description:** Costs of out-of-state or overnight project-related travel by employees of the applicant organization. Do not include in-state travel or consultant travel.

**Justification:** For each trip show the total number of traveler(s); travel destination; duration of trip; per diem; mileage allowances, if privately owned vehicles will be used to travel out of town; and other transportation costs and subsistence allowances. If appropriate for this project, travel costs for key project staff to attend ACF-sponsored workshops/conferences/grantee orientations should be detailed in the budget.

### **Equipment**

**Description:** "Equipment" means an article of nonexpendable, tangible personal property having a useful life of more than one year per unit and an acquisition cost that equals or exceeds the lesser of: (a) the capitalization level established by the organization for the financial statement purposes, or (b) \$5,000. (Note: Acquisition cost means the net invoice unit price of an item of equipment, including the cost of any modifications, attachments, accessories, or auxiliary apparatus necessary to make it usable for the purpose for which it is acquired. Ancillary charges, such as taxes, duty, protective in-transit insurance, freight, and installation, shall be included in or excluded from acquisition cost in accordance with the applicant organization's regular written accounting practices.)

**Justification:** For each type of equipment requested applicants must provide a description of the equipment; the cost per unit; the number of units; the total cost; and a plan for use of the equipment in the project; as well as a plan for the use, and/or disposal of, the equipment after the project ends. An applicant organization that uses its own definition for equipment should provide a copy of its policy, or section of its policy, that includes the equipment definition.

### **Supplies**

**Description:** Costs of all tangible personal property other than that included under the Equipment category. This includes office and other consumable supplies with a per-unit cost of less than \$5,000.

**Justification:** Specify general categories of supplies and their costs. Show computations and provide other information that supports the amount requested.

### **Contractual**

**Description:** Costs of all contracts for services and goods except for those that belong under other categories such as equipment, supplies, construction, etc. Include third-party evaluation contracts, if applicable, and contracts with secondary recipient organizations (with budget detail), including delegate agencies and specific project(s) and/or businesses to be financed by the applicant. This area is not for individual consultants.

**Justification:** Demonstrate that all procurement transactions will be conducted in a manner to provide, to the maximum extent practical, open, and free competition. Recipients and subrecipients are required to use 45 CFR 75.328 procedures and must justify any anticipated procurement action that is expected to be awarded without competition and exceeds the

simplified acquisition threshold fixed by 41 U.S.C. § 134, as amended by 2 CFR Part 200.88, and currently set at \$150,000. Recipients may be required to make pre-award review and procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc., available to ACF.

Note: Whenever the applicant intends to delegate part of the project to another agency, the applicant must provide a detailed budget and budget narrative for each contractor/sub-contractor, by agency title, along with the same supporting information referred to in these instructions. If the applicant plans to select the contractors/sub-contractors post-award and a detailed budget is not available at the time of application, the applicant must provide information on the nature of the work to be delegated, the estimated costs, and the process for selecting the delegate agency.

### **Other**

**Description:** Enter the total of all other costs. Such costs, where applicable and appropriate, may include but are not limited to: consultant costs, local travel; insurance; food (when allowable); medical and dental costs (noncontractual); professional services costs (including audit charges); space and equipment rentals; printing and publication; computer use; training costs, such as tuition and stipends; staff development costs; and administrative costs.

**Justification:** Provide computations, a narrative description, and a justification for each cost under this category.

### **Indirect Charges**

**Description:** Total amount of indirect costs. This category has one of two methods that an applicant can select. An applicant may only select one.

1) The applicant currently has an indirect cost rate approved by the Department of Health and Human Services (HHS) or another cognizant federal agency.

Note: An applicant must enclose a copy of the current approved rate agreement. If the applicant is requesting a rate that is less than what is allowed under the program, the authorized representative of the applicant organization must submit a signed acknowledgement that the applicant is accepting a lower rate than allowed.

2) Per 45 CFR § 75.414(f) Indirect (F&A) costs, “any non-Federal entity [i.e., applicant] that has never received a negotiated indirect costs rate, ... may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely. As described in § 75.403, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. If chosen, this methodology once elected must be used consistently for all Federal awards until such time as a non-Federal entity chooses to negotiate for a rate, which the non-Federal entity may apply to do at any time.”

**Justification:** This method only applies to applicants that have never received an approved negotiated indirect cost rate from HHS or another cognizant federal agency. Applicants awaiting approval of their indirect cost proposal may request the 10 percent de minimis. When the applicant chooses this method, costs included in the indirect cost pool must not be

charged as direct costs to the grant.

### **Commitment of Non-Federal Resources**

**Description:** Amounts of non-federal resources that will be used to support the project as identified in Block 18 of the SF-424.

**For all federal awards**, any shared costs or matching funds and all contributions, including cash and third-party in-kind contributions, must be accepted as part of the recipient's cost sharing or matching when such contributions meet all of the criteria listed in 45 CFR § 75.306.

**For awards that require matching by statute**, recipients will be held accountable for projected commitments of non-federal resources in their application budgets and budget justifications by budget period, or by project period for fully funded awards, even if the projected commitment exceeds the amount required by the statutory match. **A recipient's failure to provide the statutorily required matching amount may result in the disallowance of federal funds. Recipients will be required to report these funds in the Federal Financial Reports.**

**For awards that do not require matching or cost sharing by statute**, where "cost sharing" refers to any situation in which the recipient voluntarily shares in the costs of a project other than as statutorily required matching. These include situations in which contributions are voluntarily proposed by an applicant and are accepted by ACF. Non-federal cost sharing will be included in the approved project budget so that the applicant will be held accountable for proposed non-federal cost-sharing funds as shown in the Notice of Award (NOA). **A recipient's failure to provide voluntary cost sharing of non-federal resources that have been accepted by ACF as part of the approved project costs and that have been shown as part of the approved project budget in the NOA, may result in the disallowance of federal funds. Recipients will be required to report these funds in the Federal Financial Reports.**

**Justification:** If an applicant is relying on match from a third party, then a firm commitment of these resources (letter(s) or other documentation) is required to be submitted with the application. Detailed budget information must be provided for every funding source identified in Item 18. "Estimated Funding (\$)" on the SF-424.

Applicants are required to fully identify and document in their applications the specific costs or contributions they propose in order to meet a matching requirement. Applicants are also required to provide documentation in their applications on the sources of funding or contribution(s). In-kind contributions must be accompanied by a justification of how the stated valuation was determined. Matching or cost sharing must be documented by budget period (or by project period for fully funded awards). **A recipient's failure to provide a statutorily required matching amount may result in the disallowance of federal funds.**

Applications that lack the required supporting documentation will not be disqualified from competitive review; however, it may impact an application's scoring under the evaluation

criteria in *Section V.1.* of this announcement.

### **Paperwork Reduction Disclaimer**

As required by the Paperwork Reduction Act of 1995, 44 U.S.C. §§ 3501-3521, the public reporting burden for the Project Description and Budget/Budget Justification is estimated to average 60 hours per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection information. The Project Description and Budget/Budget Justification information collection is approved under OMB control number 0970-0139, expiration date is 01/31/2019. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

### **Application Submission Options**

#### **Electronic Submission via [www.Grants.gov](http://www.Grants.gov)**

Additional guidance on the submission of electronic applications can be found at <http://www.grants.gov/web/grants/applicants/apply-for-grants.html>.

After a grant application package is submitted to [www.Grants.gov](http://www.Grants.gov), a confirmation screen will appear on the applicant's computer screen. This screen confirms that an application has been submitted an application to Grants.gov. This page also contains a tracking number to identify the status of the application submission in the Track My Application feature.

When the application has completed the Grants.gov submission process, Grants.gov will send email messages to advise the applicant of the progress of the application through its system. **Over the next two business days, an applicant should receive two emails from Grants.gov:**

- **Submission Receipt Email:** Confirms successful receipt of the application by the Grants.gov system and indicates the application's status as "Received."
- **Submission Validation –OR– Rejection with Errors Email:** Indicates that the application was either successfully validated or rejected by Grants.gov. Either the application has been successfully validated by the system prior to transmission to the grantor agency or the application has been rejected due to errors.

#### **Application Validation at [www.Grants.gov](http://www.Grants.gov)**

After an application has been successfully submitted to [www.Grants.gov](http://www.Grants.gov), it still must pass a series of validation checks. After an application is submitted, Grants.gov generates a submission receipt via email and also sets the application status to "Received." This receipt verifies that the application has been successfully delivered to the Grants.gov system.

Next, Grants.gov verifies the submission is valid by ensuring it does not contain viruses, the opportunity is still open, and the applicant login and applicant DUNS number match. If the submission is valid, Grants.gov generates a submission validation receipt via

email and sets the application status to "Validated."

If the application is not validated, the application status is set to "Rejected." The system sends a rejection email notification to the applicant and the applicant must re-submit the application package. See "What to Expect After Submitting" at [www.Grants.gov](http://www.Grants.gov) for more information.

Each time an application is re-submitted to [www.Grants.gov](http://www.Grants.gov), the applicant will receive a new **Submission Receipt Email**. Only applications with on-time date and time stamps in Submission Receipt Email, and that pass validation, will be transmitted to ACF. Applications that are submitted on time that fail the validation check are not be transmitted to ACF and will not be acknowledged.

**NOTE:** The Grants.gov validation check can affect whether the application is accepted for review. If an application fails the Grants.gov validation check and is not resubmitted by 11:59 p.m., ET, on the due date, it will not be transmitted to ACF and will be excluded from the review.

Similarly, if an applicant resubmits their application to Grants.gov by 11:59 p.m., ET, on the due date, and the resubmitted application does not pass the validation check, it will not be transmitted to ACF and will be excluded from the review.

### **Grants.gov Support Center**

- If applicants encounter any technical difficulties in using [www.Grants.gov](http://www.Grants.gov), contact the Grants.gov Support Center at: 1-800-518-4726, or by email at [support@grants.gov](mailto:support@grants.gov), to report the problem and obtain assistance. Hours of Operation: 24 hours a day, 7 days a week. The Grants.gov Support Center is closed on federal holidays.
- Applicants should always retain Grants.gov Support Center service ticket number(s) as they may be needed for future reference.
- **Contact with the Grants.gov Support Center prior to the listed application due date and time does not ensure acceptance of an application. If difficulties are encountered, the Grants Management Officer listed in *Section VII. HHS Awarding Agency Contact(s)* will determine whether the submission issues are due to Grants.gov system errors or user error.**

### **Issues with Federal Systems**

For any systems issues experienced with Grants.gov or SAM.gov, please refer to ACF's "Policy for Applicants Experiencing Federal Systems Issues" document for complete guidance at [https://www.acf.hhs.gov/sites/default/files/assets/systems\\_issue\\_policy\\_final.pdf](https://www.acf.hhs.gov/sites/default/files/assets/systems_issue_policy_final.pdf).

### **Request an Exemption from Required Electronic Application Submission**

ACF recognizes that some applicants may have limited or no Internet access, and/or limited computer capacity, which may prohibit them from uploading large files at [www.Grants.gov](http://www.Grants.gov). To accommodate such applicants, ACF offers an exemption from required electronic submission. The exemption will allow applicants to submit hard copy, paper applications by hand-delivery, applicant courier, overnight/express mail couriers, or by other representatives of the applicant.

To receive an exemption from required electronic application submission, applicants must submit a written request to ACF that must state that the applicant qualifies for the exemption for one of the two following reasons:

- Lack of Internet access or Internet connection, or
- Limited computer capacity that prevents the uploading of large documents (files) at [www.Grants.gov](http://www.Grants.gov).

Applicants may request and receive the exemption from required electronic application submission by either:

- Submitting an email request to [electronicappexemption@acf.hhs.gov](mailto:electronicappexemption@acf.hhs.gov), or
- Sending a written request to the Office of Grants Management Contact listed in *Section VII. HHS Awarding Agency Contact(s)* in this announcement.

Requests for exemption from required electronic application submission will be acknowledged with an approval or disapproval.

Requests that do not state one of the two listed reasons will not be approved.

An exemption is applicable to all applications submitted by the applicant organization during the Federal Fiscal Year (FFY) in which it is received. Applicants need only request an exemption once in a FFY. Applicants must request a new exemption from required electronic submission for any succeeding FFY.

**Please Note:** [electronicappexemption@acf.hhs.gov](mailto:electronicappexemption@acf.hhs.gov) may only be used to request an exemption from required electronic submission. All other inquiries must be directed to the appropriate agency contact listed in *Section VII.* of this announcement. Queries or requests submitted to this email address for any reason other than a request for an exemption from electronic application submission will not be acknowledged or answered.

All exemption requests must include the following information:

- Funding Opportunity Announcement Title,
- Funding Opportunity Number (FON),
- The listed Catalog of Federal Domestic Assistance (CFDA) number,
- Name of Applicant Organization and DUNS Number,
- AOR name and contact information,

- Name and contact information of person to be contacted on matters involving the application (i.e., the Point of Contact), and
- The reason for which the applicant is requesting an exemption from electronic application submission. The request for exemption must state one of the following two reasons: 1) lack of Internet access or Internet connection; or 2) lack of computer capacity that prevents uploading large documents (files) to the Internet.

**Exemption requests must be received by ACF no later than two weeks before the application due date**, that is, 14 calendar days prior to the application due date listed in the *Overview* and in *Section IV.4. Submission Dates and Times*. If the fourteenth calendar day falls on a weekend or federal holiday, the due date for receipt of an exemption request will move to the next federal business day that follows the weekend or federal holiday.

Applicants may refer to *Section VIII. Other Information* for a checklist of application requirements that may be used in developing and organizing application materials. Details concerning acknowledgment of received applications are available in *Section IV.4. Submission Dates and Times* of this announcement.

#### **Paper Format Application Submission**

**An exemption is required for the submission of paper applications. See the preceding section on "Request an Exemption from Required Electronic Application Submission."**

Applicants with exemptions that submit their applications in paper format, by mail or delivery, must submit one original and two copies of the complete application with all attachments. The original and each of the two copies must include all required forms, certifications, assurances, and appendices, be signed by the AOR, and be unbound. The original copy of the application must have original signature(s). See *Section IV.7.* of this announcement for address information for paper format application submissions. Applications submitted in paper format must be received by 4:30 p.m, ET, on the due date.

Applicants may refer to *Section VIII. Other Information* for a checklist of application requirements that may be used in developing and organizing application materials. Details concerning acknowledgment of received applications are available in *Section IV.4. Submission Dates and Times* in this announcement.

### **IV.3. Unique Entity Identifier and System for Award Management (SAM)**

All applicants must have a DUNS Number (<http://fedgov.dnb.com/webform>) and an active registration with the System for Award Management (SAM.gov/SAM, <https://www.sam.gov>).

Obtaining a DUNS Number may take 1 to 2 days.

All applicants are required to maintain an active SAM registration until the application process is complete. If a grant is awarded, registration at SAM must be active throughout the life of the award.

**Plan ahead. Allow at least 10 business days after you submit your registration for it to become active in SAM and at least an additional 24 hours before that registration information is available in other government systems, i.e. Grants.gov.**

This action should allow you time to resolve any issues that may arise. Failure to comply with these requirements may result in your inability to submit your application through Grants.gov or prevent the award of a grant. Applicants should maintain documentation (with dates) of your efforts to register for, or renew a registration, at SAM. User Guides are available under the “Help” tab at <https://www.sam.gov>.

HHS requires all entities that plan to apply for, and ultimately receive, federal grant funds from any HHS Agency, or receive subawards directly from recipients of those grant funds to:

- Be registered in the SAM prior to submitting an application or plan;
- Maintain an active SAM registration with current information at all times during which it has an active award or an application or plan under consideration by an OPDIV; and
- Provide its active DUNS number in each application or plan it submits to the OPDIV.

ACF is prohibited from making an award until an applicant has complied with these requirements. At the time an award is ready to be made, if the intended recipient has not complied with these requirements, ACF:

- May determine that the applicant is not qualified to receive an award; and
- May use that determination as a basis for making an award to another applicant.

#### **IV.4. Submission Dates and Times**

##### **Due Dates for Applications**

Due Date for Applications: **05/31/2016**

##### **Explanation of Due Dates**

The due date for receipt of applications is listed in the *Overview* section and in this section. See *Section III.3. Other, Application Disqualification Factors*.

Applicants are required to submit their applications electronically via [www.Grants.gov](http://www.Grants.gov) unless they received an exemption through the process described in *Section IV.2. Request an Exemption from Required Electronic Application Submission*.

ACF does not accommodate transmission of applications by email or facsimile.

Instructions for electronic submission via [www.Grants.gov](http://www.Grants.gov) are available at: [http://www.grants.gov/applicants/apply\\_for\\_grants.jsp](http://www.grants.gov/applicants/apply_for_grants.jsp).

Applications submitted to [www.Grants.gov](http://www.Grants.gov) at any time during the open application period prior to the due date and time that fail the Grants.gov validation check will not be received at ACF. These applications will not be acknowledged.

### **Mailed Paper Format Applications**

The deadline for receipt of mailed, paper applications is 4:30 p.m., ET, on the due date. Mailed paper applications received after the due date and deadline time will be considered late and will be disqualified from competitive review and from funding under this announcement.

Paper format application submissions will be disqualified if the applicant organization has not received an exemption through the process described in *Section IV.2. Request an Exemption from Required Electronic Application Submission*.

### **Hand-Delivered Paper Format Applications**

Applications that are hand-delivered by applicants, applicant couriers, by overnight/express mail couriers, or other representatives of the applicant must be received on, or before, the due date listed in the *Overview* and in this section. These applications must be delivered between the hours of 8:00 a.m. and 4:30 p.m., ET, Monday through Friday (excluding federal holidays). Applications should be delivered to the address provided in *Section IV.7. Other Submission Requirements*.

Hand-delivered paper applications received after the due date and deadline time will be considered late and will be disqualified from competitive review and from funding under this announcement.

Hand-delivered paper format application submissions will be disqualified if the applicant organization has not received an exemption through the process described in *Section IV.2. Request an Exemption from Required Electronic Application Submission*.

### **No appeals will be considered for applications classified as late under the following circumstances:**

- Applications submitted electronically via [www.Grants.gov](http://www.Grants.gov) are considered late when they are dated and time-stamped after the deadline of 11:59 p.m., ET, on the

due date.

- Paper format applications received by mail or hand-delivery after 4:30 p.m., ET, on the due date will be classified as late and will be disqualified.
- Paper format applications received from applicant organizations that were not approved for an exemption from required electronic application submission under the process described in *Section IV.2. Request an Exemption from Required Electronic Submission* will be disqualified.

### **Emergency Extensions**

ACF may extend an application due date when circumstances make it impossible for an applicant to submit their applications on time. Only events such as documented natural disasters (floods, hurricanes, tornados, etc.), or a verifiable widespread disruption of electrical service, or mail service, will be considered. The determination to extend or waive the due date, and/or receipt time, requirements in an emergency situation rests with the Grants Management Officer listed as the Office of Grants Management Contact in *Section VII. HHS Awarding Agency Contact(s)*.

### **Acknowledgement from [www.Grants.gov](http://www.Grants.gov)**

Applicants will receive an initial email upon submission of their application to [www.Grants.gov](http://www.Grants.gov). This email will provide a **Grants.gov Tracking Number**. Applicants should refer to this tracking number in all communication with Grants.gov. The email will also provide a **date and time stamp**, which serves as the official record of application's submission. Receipt of this email does not indicate that the application is accepted or that it has passed the validation check.

Applicants will also receive an email acknowledging that the received application is in the **Grants.gov validation process**, after which a third email is sent with the information that the submitted application package has passed, or failed, the series of checks and validations. Applications that are submitted on time that fail the validation check will not be transmitted to ACF and will not be acknowledged by ACF.

See "What to Expect After Submitting" at [www.Grants.gov](http://www.Grants.gov) for more information.

### **Acknowledgement from ACF of an electronic application's submission:**

Applicants will be sent additional email(s) from ACF acknowledging that the application has been retrieved from [www.Grants.gov](http://www.Grants.gov) by ACF. Receipt of these emails is not an indication that the application is accepted for competition.

### **Acknowledgement from ACF of receipt of a paper format application:**

ACF will not provide acknowledgement of receipt of hard copy application packages submitted via mail or courier services.

## **IV.5. Intergovernmental Review**

This program is covered under Executive Order (E.O.) 12372, "Intergovernmental Review of Federal Programs," and 45 CFR Part 100, "Intergovernmental Review of Department of Health and Human Services Programs and Activities." [http://www.whitehouse.gov/omb/grants\\_spoc/](http://www.whitehouse.gov/omb/grants_spoc/).

Applicants from participating jurisdictions should contact their SPOC, as soon as possible, to alert them of their prospective applications and to receive instructions on their jurisdiction's procedures. Applicants must submit all required application materials to the SPOC and indicate the date of submission on the Standard Form (SF) 424 at item 19.

Under 45 CFR 100.8(a)(2), a SPOC has 60 days from the application due date to comment on proposed new awards.

Entities that meet the eligibility requirements of this announcement are still eligible to apply for a grant even if a State, Territory or Commonwealth, etc., does not have a SPOC or has chosen not to participate in the process. Applicants from non-participating jurisdictions need take no action with regard to E.O. 12372.

Applications from Federally-recognized Indian Tribal governments are not subject to E.O. 12372.

#### **IV.6. Funding Restrictions**

Costs of organized fund raising, including financial campaigns, endowment drives, solicitation of gifts and bequests, and similar expenses incurred to raise capital or obtain contributions are unallowable. Fund raising costs for the purposes of meeting the Federal program objectives are allowable with prior written approval from the Federal awarding agency. (45 CFR §75.442)

Proposal costs are the costs of preparing bids, proposals, or applications on potential Federal and non-Federal awards or projects, including the development of data necessary to support the non-Federal entity's bids or proposals. #### **V. Application Review Information**

##### **V.1. Criteria**

**Please note:** Reviewers will not access, or review, any materials that are not part of the application documents. This includes information accessible on websites via hyperlinks that are referenced, or embedded, in the application. Though an application may include web links, or embedded hyperlinks, reviewers will not review this information as it is not considered to be part of the application documents. Nor will the information on websites be taken into consideration in scoring of evaluation criteria presented in this section. Reviewers will evaluate and score an application based on the documents that are presented in the application and **will not** refer to, or access, external links during the objective review.

Applications competing for financial assistance will be reviewed and evaluated using the criteria described in this section. The corresponding point values indicate the relative importance placed on each review criterion. Points will be allocated based on the extent to which the application proposal addresses each of the criteria listed. Applicants should address these criteria in their application materials, particularly in the project description and budget justification, as they are the basis upon which competing applications will be judged during the objective review. The required elements of the project description and budget justification may be found in *Section IV.2* of this announcement.

Applications will be judged on how well they propose a realistic and successful plan to achieve the application requirements outlined in *Section IV.2. Project Description*. Reviewers will pay particular attention to the criteria described in *Section IV.2. Project Description*, especially the "Approach" and "Approach Activities" portions of the application.

## **V.2. Review and Selection Process**

No grant award will be made under this announcement on the basis of an incomplete application. No grant award will be made to an applicant or sub-recipient that does not have a DUNS number ([www.dbn.com](http://www.dbn.com)) and an active registration at SAM ([www.sam.gov](http://www.sam.gov)). See *Section IV.3. Unique Entity Identifier and System for Award Management (SAM)*.

### **Initial ACF Screening**

Each application will be screened to determine whether it meets any of the disqualification factors described in *Section III.3. Other, Application Disqualification Factors*.

Disqualified applications are considered to be "non-responsive" and are excluded from the competitive review process. Applicants will be notified of a disqualification determination by email or by USPS postal mail within 30 federal business days from the closing date of this FOA.

### **Objective Review and Results**

Applications competing for financial assistance will be reviewed and evaluated by objective review panels using only the criteria described in *Section V.1. Criteria* of this announcement. Each panel is composed of experts with knowledge and experience in the area under review. Generally, review panels include three reviewers and one chairperson.

Results of the competitive objective review are taken into consideration by ACF in the

selection of projects for funding; however, objective review scores and rankings are not binding. Scores and rankings are only one element used in the award decision-making process.

ACF may elect not to fund applicants with management or financial problems that would indicate an inability to successfully complete the proposed project. Applications may be funded in whole or in part. Successful applicants may be funded at an amount lower than that requested. ACF reserves the right to consider preferences to fund organizations serving emerging, unserved, or under-served populations, including those populations located in pockets of poverty. ACF will also consider the geographic distribution of federal funds in its award decisions.

### **Federal Awarding Agency Review of Risk Posed by Applicants**

As required by 2 CFR 200 of the Uniform Guidance, effective January 1, 2016, ACF is required to review and consider any information about the applicant that is in the Federal Awardee Performance and Integrity Information System (FAPIIS), <https://www.fapiis.gov/>, before making any award in excess of the simplified acquisition threshold (currently \$150,000) over the period of performance. An applicant may review and comment on any information about itself that a federal awarding agency has previously entered into FAPIIS. ACF will consider any comments by the applicant, in addition to other information in FAPIIS, in making a judgment about the applicant's integrity, business ethics, and record of performance under federal awards when completing the review of risk posed by applicants as described in 2 CFR § 200.205 Federal Awarding Agency Review of Risk Posed by Applicants [http://www.ecfr.gov/cgi-bin/text-idx?node=se2.1.200\\_1205&rgn=div8](http://www.ecfr.gov/cgi-bin/text-idx?node=se2.1.200_1205&rgn=div8).

Please refer to *Section IV.2.* of this announcement for information on non-federal reviewers in the review process.

### **Approved but Unfunded Applications**

Applications recommended for approval that were not funded under the competition because of the lack of available funds may be held over by ACF and reconsidered in a subsequent review cycle if a future competition under the program area is planned. These applications will be held over for a period of up to one year and will be re-competed for funding with all other competing applications in the next available review cycle. For those applications determined as approved but unfunded, notice will be given of the determination by email.

## **V.3. Anticipated Announcement and Federal Award Dates**

Announcement of awards and the disposition of applications will be provided to applicants at a later date. ACF staff cannot respond to requests for information regarding funding decisions prior to the official applicant notification.

## **VI. Federal Award Administration Information**

### **VI.1. Federal Award Notices**

Successful applicants will be notified through the issuance of a Notice of Award (NoA) that sets forth the amount of funds granted, the terms and conditions of the grant, the effective date of the grant, the budget period for which initial support will be given, the non-federal share to be provided (if applicable), and the total project period for which support is contemplated. The NoA will be signed by the Grants Officer and transmitted via postal mail, email, or by GrantSolutions.gov or the Head Start Enterprise System (HSES), whichever is relevant. Following the finalization of funding decisions, organizations whose applications will not be funded will be notified by letter signed by the cognizant Program Office head. Any other correspondence that announces to a Principal Investigator, or a Project Director, that an application was selected is not an authorization to begin performance.

Project costs that are incurred prior to the receipt of the NoA are at the recipient's risk and may be reimbursed only to the extent that they are considered allowable as approved pre-award costs. Information on allowable pre-award costs and the time period under which they may be incurred is available in *Section IV.6. Funding Restrictions*.
